Mr Harold Weisberg
Dear Friend;
Please forgive my delay in replying to your book "Marvelous!
I should say in writing ~~today~~ that I have it, have read it and thoroughly digested every enlightening paragraph.
I only wish that I were financially able, to place a copy of "Whitewash" in every American home, regardless of political affiliations.
God Bless you for your tremendous task, in bringing to all of us, the TRUE facts concerning the "Warren Report".

I want to thank you too, for the "autograph" - I shall always treasure .. both Book and Author -
May I presume upon your kindness, to inquire as to where and how I go about getting a book published?
I've written the story of my life, a sort of biography - in the hope of by so doing, I may perchance locate my Sisters from whom I became separated, through adoption, as a small child - Now 57, and unmarried, I would like very much to try and find them;
I sent the completed manuscript

to a publisher in New York.
They replied that it was
a very warning and human
story, and would publish it
at the cost of $4,350.00.!
I nearly expired -
I've never seen that amount
of money in my life - or ever
hope to have it.
Please, what must I do
now?
Will appreciate any advice
that you can offer.
If not - thank you very much
for your time and patience.
My Regards to Mrs Weisberg
Respectfully Miss Josephine Corry →

P.S. Have recently been ill, so please forgive the shaky penmanship.

P.P.S. If you ever write another Magnificent Book, please inform me.
You are a truly gifted person, and I wish you all, and every success in all of your undertakings.

Sincerely

J. Corryn.
